

ASSOCIATE OF ARTS DEGREE ARTICULATION AGREEMENT

Students completing an Associate of Arts degree from a regionally-accredited community college within the United States of America will have fulfilled General Education and Unrestricted Elective course requirements at Hawai'i Pacific University. The purpose of this agreement is to help the prospective HPU student plan a course of study that will facilitate an effective transfer into Hawai'i Pacific University.

General Education courses that are prerequisites to Upper-Division and Major courses must be taken at HPU unless the direct equivalent was completed prior to transferring. This requirement includes all Lower-Division, Upper-Division and Major course-requirements toward the baccalaureate degree.

Credit awards will be based on courses completed with the equivalent to a letter grade of 'C-' or higher.

This agreement encompasses similarly-structured Associate of Arts Direct Transfer Agreements (DTA) from other colleges; California's Inter-segmental General Education Transfer Curriculum (IGETC) and General Education Breadth certificates are also recognized with a few exceptions.*

**Since the number of credits for both certificates fall short of the requirement to fulfill the general education credit requirement at HPU, students will need to take an additional number of courses to accommodate the credit deficit (GE Breadth: 6 additional semester credits; IGETC: 9 additional semester credits).*

As the amount of courses that may be utilized to fulfill the General Education Core will vary for each major, students should consult with their admissions counselor at the Office of Admissions at Hawai'i Pacific University for specific degree requirements.
