

UNIVERSITY  
of HAWAII®  
WEST O'AHU

UNIVERSITY of HAWAII®  
**HAWAII**  
COMMUNITY COLLEGE

**UNIVERSITY OF HAWAII ARTICULATION AGREEMENT**  
**Hawai'i Community College Associate in Applied Science degree in Marketing**  
**to the University of Hawai'i-West O'ahu Bachelor of Arts degree in**  
**Business Administration with concentration in Marketing**

The purpose of this Agreement is to facilitate a smooth transition for students from the Hawai'i Community College Associate in Applied Science (AAS) in Marketing program to the University of Hawai'i-West O'ahu Bachelor of Arts (BA) in Business Administration program with concentration in Marketing.

This recommended pathway is designed to produce multiple entry and exit points to flexibly serve student career and educational objectives. Students may use dual enrollment as a method of completing the required coursework outlined in the attachments to this agreement, contingent upon eligibility, deadlines, and established procedures.

Students must graduate from Hawai'i Community College with the articulated AAS degree in Business to be eligible for the benefits of this Agreement. Completion of the articulated AAS degree will enable students to follow the University of Hawai'i-West O'ahu core, concentration, general education, focus, and graduation requirements in place on the effective term of this agreement. Participation in the University of Hawai'i Automatic Admissions transfer process is possible for students planning to complete the AAS in Marketing provided that eligibility, deadlines and procedures established for the designated term of entry are met. Students who do not complete the AAS in Business degree at Hawai'i Community College will be required to meet catalog requirements in place upon admission to the University of Hawai'i-West O'ahu. While this academic pathway represents the most efficient coursework progression from the AAS program at Hawai'i Community College through the BA program at the University of Hawai'i-West O'ahu, individual course substitutions may be made on a case-by-case basis when recommended courses are not available; however, all core, concentration, general education, focus, and graduation requirements must still be met in those individual cases.

Requirements of the articulated Associate in Applied Science (AAS) degree and the Bachelor of Arts (BA) in Business Administration degree are provided as attachments and form the basis of this Agreement. Subsequent changes to the curricular requirements of these programs may require revisions to this Agreement.

Under the terms of this Agreement, the University of Hawai'i-West O'ahu agrees to:

1. Identify Success Advisors at the University of Hawai'i-West O'ahu who will partner with Hawai'i Community College Counselors to ensure timely and accurate advising information on pre-admission, admission, degree requirements, and other related advising information.
2. Identify a Success Advisor at the University of Hawai'i-West O'ahu who will work with their campus STAR personnel to develop an accurate STAR pathway for students pursuing this articulation agreement.
3. Identify a University of Hawai'i-West O'ahu faculty member who will serve as the faculty advisor to students who are part of this articulation in the selected concentration.
4. Inform students that financial aid may be available through either institution as the student identifies his/her home campus each semester, and that students must follow the financial aid policies and procedures at that home school in order to be eligible for financial aid.
5. Meet with Hawai'i Community College faculty and/or administration minimally every two years, or on an as-needed basis, to discuss potential and planned curricular changes.

Under the terms of this Agreement, Hawai'i Community College agrees to:

1. Place a notation in the advisor notes in STAR which identifies AAS in Marketing students intending to transfer to the University of Hawai'i-West O'ahu who are in the process of completing the AAS degree and are a part of this articulation.
2. Identify a Counselor at Hawai'i Community College who will partner with the University of Hawai'i-West O'ahu advisors to ensure timely and accurate advising information on pre-admission, admission, degree requirements, and other relevant advising information.
3. Identify a Hawai'i Community College faculty member who will serve as the faculty advisor to students who are part of the articulation.
4. Inform students that financial aid may be available through either institution as the student identifies his/her home campus each semester, and that students must follow the financial aid policies and procedures at that home school in order to be eligible for financial aid.
5. Meet with the University of Hawai'i-West O'ahu faculty and/or administration minimally every two years, or on an as needed basis, to discuss potential and planned curricular changes.

This Articulation Agreement is effective beginning Fall 2021 and is based on the General Education and Focus requirements in effect at the University of Hawai'i-West O'ahu for 2021-2022.

This Agreement will remain in effect through academic year 2024 and must be reviewed for renewal and/or modification by both parties in order to maintain this Hawai'i Community College to University of Hawai'i West O'ahu pathway.
