- Notes:
1. Transfer students are those who have had a change in home campus.
 2. Previous College is the most recently attended college identified in MST General Student (GS) and MST Student Course (SC), excluding summer terms. GS takes precedence over SC in cases where the terms are the same. If both GS and SC are blank, then MST Previous Education is used to determine the Previous College. If more than one campus is associated with the most recent term, the campus at which the greater number of credits was earned is selected.
