

**College Council Meeting  
CTE Dean's Report  
Friday January 16, 2015**

1. Happy New Year! Perkins "season" is upon us. Dominic Estrella, from the CC System office will be doing a campus visit in late January or early February to meet with anyone interested in writing a proposal. Watch your email for the announcement of Dominic's visit and proposal deadlines.

In the meantime, **please contact me ([joycei@hawaii.edu](mailto:joycei@hawaii.edu) or x2522)** if you would like to brainstorm about your ideas. I'm happy to meet with anyone who wants to discuss a possible proposal.

2. STEMEI-this group will be meeting in late January and touring existing science labs and looking at other possible spaces to renovate as we plan to expand our offerings.
3. The CTE Dean's secretary, Luane Ishii, has moved to the Chancellors office. In the meantime, Lori Medeiros will be handling all personnel/screening committee matters and Rennette will be answering phones and a myriad of other duties to keep our busy office moving forward until a replacement is found.
4. Advisory Council Meetings will be held Thursday February 19 from 4-6pm on campus. More details to come.
