

College Council Meeting
CTE Dean's Report
Friday August 28, 2015

1. Dominic Estrella, from the CC System office will be visiting our campus Thursday September 10, 2015. He will do a short presentation of HawCC's Perkins data and then answer questions. This is a great time to bring your ideas/questions or draft proposals. There are two sessions: 11am-1pm and 3pm-5pm. Both sessions are located in Kaneikeao with vidcon to Palamanui (rooms TBA)
2. Luane Ishii will be returning to the CTE Dean's office as of September 1. I would like to give a big MAHALO to Sandra Kama, Lori Medeiros, April Nakagawa, Mamo Bernabe, and especially Renette Pacheco for their help during Luane's absence.
3. Perkins Awards for 2015-16: This year HawaiiCC's Brian Hirata was awarded \$31,099 for the purchase of new tech cooking equipment. Mari Giel received \$143,118 for support to CTE students with disabilities. Jeff Fujii received \$56,000 for aluminum welding equipment in the Auto Body program. This totals \$230,217.
