#### Ad-hoc GE Committee Report to the Academic Senate for 2/27/15

The ad hoc GE committee has reviewed and recommends PHIL 100 to be designated a GE course #7 Areas of Knowledge – Humanities and are in the process of reviewing two other courses for GE designation. A motion was made by a member of the committee and was adopted by the ad hoc committee to provide guidance to the ad hoc committee members in evaluating GE designation proposals. The committee is also working on guidelines to provide to faculty considering applying for GE designation.

The co-chairs were invited by VCAA Joni Onishi to join the meeting of the DCs on February 5, 2015 to participate in a discussion of Foundations. Joanne Itano, via telephone provided some information as well as answered questions regarding Foundation and the Foundation Board. A discussion ensued and the DCs had plans to continue the discussion.
