BTEC	ENG 55: Business Communications	Anne Chung	Retired	Retire the course.	This course is no longer being taught. The ACC and BTEC programs made the change to replace ENG 55 with BUSN 178. A blanket course waiver substitution is in place for ENG 55 and BUSN 178. The retired course will be replaced by BUSN 178.	Approved - 9/18/17	Approved - 9/22/17	
BTEC	BUSN 89: Electronic Calculating	Anne Chung	Retired	Retire the course.	This course is no longer required for any of the program's certificates or degrees. There is a course waiver/substitution in place that allows students to take BUSN 188 and be waived from taking BUSN 89 and BUSN 189. BUSN 188 will replace the combo of BUSN 89 and BUSN 189.	Approved - 9/18/17	Approved - 9/22/17	
BTEC	BUSN 151: Intermediate Business Computing	Anne Chung	Retired	Retire the course.	This course is no longer required for any of the program's certificates or degrees. The BTEC Advisory Council indicated that ACC 155 meets their needs better than BUSN 151. Students take ACC 155 in place of BUSN 151.	Approved - 9/18/17	Approved - 9/22/17	
BTEC	BUSN 184: Medical Transcription	Bobby Yamane	Retired	Retire the course.	BUSN 184 has not been taught for many years and the Medical Office Assistant CO is not longer being offered. BUSN 184 will also be removed from the BTEC AAS degree Business Electives list.	Approved - 9/18/17	Approved - 9/22/17	
ACC	BUSN 189: Business Mathematics	Anne Chung	Retired	Retire the course.	This course is no longer required for any of the program's certificates or degrees. There is a course waiver/substitution in place that allows students to take BUSN 188 and be waived from taking BUSN 89 and BUSN 189. BUSN 188 will replace the combination of BUSN 89 and BUSN 189. BTEC	CO-BTEC-VOA - Virtual Office Assistant	Bobby Yamane	Active	Modify a program	Busn 151 is no longer being offered and it will be retired. The BTEC Advisory Council recommended increased skills in Excel, therefore the requirement for the BTEC AAS degree and the VOA CO will require ACC 155 (Spreadsheets in Accounting) which is a three-credit Excel course.	Approved - 9/18/17	Approved - 9/22/17	
BTEC	AAS-BTEC-Business Technology	Bobby Yamane	Active	Modify a program		Approved - 9/18/17	Approved - 9/22/17	
HOST	HOST 295	Bobby Yamane	Active	Modify a course	Program modifications are being submitted for the Host CA and AAS that will require "C" or better for all major courses (HOST alpha). Therefore, the prerequisites should also reflect the "C" or better requirement.	Approved - 9/18/17		
HOST	CO-HOST-Hospitality & Tourism	Bobby Yamane	Active	Modify a program	KauICC and UHMC Hospitality and Tourism programs have similar requirements of "C" or better for major (HOST) courses.	Approved - 9/18/17	Approved - 9/22/17	
HOST	CA-HOST-Hospitality & Tourism	Bobby Yamane	Active	Modify a program	KauICC and UHMC Hospitality and Tourism programs have similar requirements of "C" or better for major (HOST) courses.	Approved - 9/18/17	Approved - 9/22/17

MKT:Retail Foundations	CO-MKT-RETF	Bobby Yamane	Active	Modify a program	A grade of "C" or better is required to earn a certificate and/or degree	Approved - 9/18/17	Approved - 9/22/17	
PRCN	NURS 120: Practical Nursing I	Kelley O'Leary	Active	Modify a course	This modification to the curriculum reflects accurate sequencing and adds Nurs 101 and FAMR 230 as a co requisite. Nurs 101 was moved to the first semester, therefore it needs to be added as a corequisite. FAMR 230 has also been re sequenced to the first semester.	Approved - 9/18/17	Approved - 9/22/17	
PRCN	NURS 122: Practical Nursing II	Kelley O'Leary	Active	Modify a course	Students need FAMR as a prereq to Nurs 122 (versus concurrent) as they need a background in normal growth and development to understand mental health disorders and their impact. NURS 101 was moved to the first semester versus the last semester to lay the foundation earlier for a career as a Practical Nursing. This modification is to accurately list the pre requisite courses after PN courses were re sequenced.	Approved - 9/18/17	Approved - 9/22/17	
NURS	NURS 126: Child Health	Kelley O'Leary	Active	Modify a course-Remove FamR 230 from prerequisite	Famr 230 is already a prereq in Nurs 122, this reduces redundancy.	Approved - 9/18/17	Approved - 9/22/17	
NURS	NURS 128: Maternity Nursing	Kelley O'Leary	Active	Modify a course-Remove FamR 230 from prerequisite	Famr 230 is already a prereq in Nurs 122. This reduces redundancy.	Approved - 9/18/17	Approved - 9/22/17

LBRT	HD 234 Social Gerontology	Lucy Jones	Active	Modify a course	"Aging" is no longer an appropriate title. We are trying to update the terminology to fit with other gerontology courses.	Sent back to proposer-9/25/17 CLO not assessable-7&9 not filled in		
LBRT	ART 227-Chinese Brush Painting	Meidor Hu	Active	Modify a course	To update this course that has not been updated for many years.	Approved -9/25/17	Approved 10-27-17	x
LBRT	AA- LBRT	Trina Nahm-Mijo	Active	Modify a program-Change in Program Requirement of Quantitative Reasoning from "Math 100 or higher or any Math course that meets GE Quantitative Reasoning" to "Math 100 or Math 110 or Math 115 or Math 135 or Math 140 or Math 241 or Math 242".	Justification for modification is to ensure that the math courses required for the AA Degree are college level math courses, not math courses that are currently considered technical or high school math courses.	Approved -9/25/17	Approved 10-27-17	x
LBRT	AA - LBRT - AJ	Trina Nahm-Mijo	Active	Modify a program-The following courses need to be added to the list of approved AJ Concentration Electives: AJ 130: Introduction to Youth Practitioner (new number/title); AJ 220: Constitutional Law; AJ 150: The Correctional Process; AJ 103: Criminal Investigations I; AJ/SOC 208: Criminology; AJ/HSER/WS 256: Dynamics of Family Violence and Sex Assault; AJ 285: Narcotics and Organized Crime.	In conducting a 2 + 2 review with UH-Hilo, the HawCC Dept. Chair of SSCI. & PS noticed a number of discrepancies in what was originally proposed for the AA-LBRT-AJ Program Requirements. A number of AJ Concentration Electives were left off the original proposal.	Approved -9/25/17	Approved 10-27-17	x
LBRT & Public Services	CA-ECED	Brenda Watanabe	Active	Modify a program-1. Math Requirement of CA program: "Math 22 or higher" be changed to "Math 26 or higher" 2. Course recommendation change: "Math 115 recommendation" be changed to "Math 103 recommendation"	1. Change reflects Hawaii Community College's updated math progression sequence where minimum placement is Math 26. 2. Course recommendation is being updated to align program's articulation with the Bachelor of Science in Social Sciences (concentration in Early Childhood Education), UH West Oahu. This articulation is part of the program description.	Discussion tabled until next meeting		
LBRT & Public Services	CO-ECED	Janet Smith	Active	Modify a program-Change in program requirement	Certificate of completion (CO) currently has a choice of three courses to complete the requirements (ECED 115, 140 or 245). The modification currently being proposed ECED 190 is that ECED 140 should be a prerequisite to register for that class. This alters the CO's line-up of coursework.	Discussion tabled until next meeting		
LBRT & Public Services	ECED 190 Early Childhood Laboratory	Brenda Watanabe	Active	Modify a course-. Adding a prerequisite course: "C" or better in ECED 140. 2. Adding the prerequisite: First Aid certification, TB Clearance, Criminal History Check and Physical Exam with Dr. note required. 3. Enhance the catalog description to accurately reflect established practice of the course. See course description below with bracketed sentences.	1. ECED 140 CLO: Use guidance strategies to promote the development of self-control and prosocial behavior of children. Understanding guidance strategies and applying these in the education laboratory is essential to student success. 2. These are the requirements of the state childcare licensing agency (DHS) for adults in child care centers. 3. Accurately describing the established practice of the course will better inform students as they navigate their graduation pathway.	Approved with one abstention-9/25/17		x
LBRT & Public Services	CO-SUST	Claudia Wilcox-Boucher	n/a	Create new program	In following the UH System Charge Sustainability Movement EP 4.202, HawCC will offer a CO under Liberal Arts and Social Sciences effective F2018.	Returned to proposer-9/26/17

HP	CULN 115- Menu Merchandising	Bobby Yamane	Active	Modify a course - Change Prerequisite to: "C" or better in Culn 111, "C" or better in Culn 112, and "C" or better in Culn 120	The Culinary certificates and degrees requires a "C" or better in major (CULN) courses; however, the prerequisites for all CULN courses do not state a "C" or better. Therefore a "D" grade in a prerequisite course will be acceptable. This change is necessary in order to be consistent. The Culinary PCC recommended Culn 115 be a 2-credit course. The articulation agreement (attached) is in draft format and has not been officially approved. However, the Culinary faculty for HawCC is in favor of the changes and wish to move forward. Currently, they have difficulty covering all of the material and changing the course to two credits will enable them to cover all of the material and in more depth. HP	CULN 160V - Dining Room Service/Stewarding	Bobby Yamane	Active	Modify a course - Change the Schedule Type to Lecture and Lab-1 lec. hrs., 3 lab hrs. is equal to 2 credits.	The decision to reduce the number of credits is based on the Culinary Arts PCC agreement to standardize the number of credits for courses with the same alpha/number. (The agreement has not yet been finalized.) The other programs have a Culn 160 (Dining Room Operations) which will be a 5 credit course. However, the program faculty wish to keep their existing course, Culn 160V (Dining Room Service/Stewarding), but increase the total credits from 2 to 4 for the AAS degree. BEaT	AAS - HOST	Bobby Yamane	Active	Modify a program - Delete the Social Environment elective requirement and replace with Host 290 as a required Social Environment elective. This will reduce the total credits for the AAS degree from 63 to 60. Clearly state that HWST 101 or any HWST course is required to meet the Cultural Environment elective requirement for the AAS degree. A grade of "C" or better in major courses (HOST) will be required to earn a certificate and/or degree. (Host 293V is mandatory CR/NC.)	The purpose of the Social Environment change is to reduce the total number of credits required for graduation. This may help improve student graduation rates which is a high priority for the UHCCs. The current advising sheet does not clearly state that HWST 101 or any HWST course must be used to meet the Cultural Environment elective requirement for the AAS degree. KauicC and UHMC Hospitality and Tourism programs have similar requirements of "C" or better for major (HOST) courses.	Approved - 10/23/17	Approved 10-27-17	x
BEaT	ICS 101 Digital Tools for the Information World	Bobby Yamane	Active	Modify a course - The course credits will be reduced from four to three credits.	The change is to bring HAWCC's course into alignment with other courses in the community college system. Course expectations for students will be reduced accordingly to match the three credit designation.	Approved - 10/23/17	Approved 10-27-17	
BEaT	ITS 287 IT Internship Preparation	Bobby Yamane	Active	Create a new course	IT students need to obtain hands-on experience in an Internship before moving on to a professional career, but many lack the background knowledge of how to apply principles and concepts of their course work into a professional setting. This course is designed to provide the necessary preparation for taking on an internship position, including resume writing, job preparation, interview skills, implementation of hardware and software aspects of the field in a business setting, documenting computer programs, preparing reports, and understanding business ethics and behavioral expectations in the professional workplace.	Approved - 10/23/17	Approved 10-27-17	
BEaT	ITS 288 IT Program Internship	Bobby Yamane	Active	Create a new course	Codifying actual practice of students' internship requirement. A separate preparation course is being proposed (ITS 287) that is a co-requisite.	Approved - 10/23/17	Approved 10-27-17	
BEaT	AS - IT Information Technology	Bobby Yamane	Active	Modify a program - convert the two experimental courses to permanent status. ITS 297 IT Internship Preparation, 2 credits, will be replaced with ITS 287 and ITS 298 IT Program Internship, 1 credit will be replaced with ITS 288. ITS 287 and ITS 288 are the capstone courses for the IT program. They are to be taken concurrently and will replace ITS 293, 3 credits in the fourth semester. ICS 101 will decrease in credits from 4 to 3. There will not be an increase in credits nor increase in time for the completion of the IT program.	ITS 287 (IT Internship Preparation) is to provide students wit information about how to apply their IT knowledge into the business environment. It includes resume writing, job preparation, interview skills, and employer expectations. It provides summary of IT knowledge for application in the work place. ITS 288 (IT Program Internship) codifies actual practice of student's internship requirement. It integrates classroom learning with supervised, strucrued and unstructured work experience by offering an opportunity to enhance workplace soft skills as well as technical skills. These are the two capstone courses of the IT program.	Approved - 10/23/17	Approved 10-27-17	
BEaT	CA - IT Information Technology	Bobby Yamane	Active	Modify a program - Decrease in credits from 34 TO 33.	Due to the decrease from 4 to 3 credits in ICS 101 for system alignment starting fall 2018.	Approved - 10/23/17	Approved 10-27-17	
BEaT	CO-IT-ITCS Information Security and Assurance	Bobby Yamane	Active	Modify a program - Decrease in credits from 11 to 10.	Due to the decrease from 4 to 3 credits in ICS 101 for system alignment starting fall 2018.	Approved - 10/23/17	Approved 10-27-17

BE	MGT 20-Introduction to Management	Bobby Yamane	Retired	Retire a course	This course is no longer offered - not required.	Approved - 10/30/17		
LBRT	PSY 260 - Psychology of Personality	Trina Nahm-Mijo	Active	Create new course	The A.A. with a Concentration in Psychology was approved to begin to be offered in Fall 2016. This course is a viable option for this degree option at the 200-level. It enhances the options for students who select this Concentration. PSY 260 and SOC 100 are relevant courses for the Concentration in Psychology and strengthens the background of any student planning to major in PSY at a 4-year college.	Re-submitted and Approved - 10/30/17		
LBRT	AA_LBRT - PSY Concentration	Trina Nahm-Mijo	Active	Modify a program		Approved - 9/25/17- awaiting Senate approval		
LBRT/PS	AS-NSCI-BSC-Natural Science/Biological Science	Pam Scheffler		Modify a program	At present, the Hawaii CC NSCI-BSC is misaligned with all other NSCI degrees in the UHCC system and is not aligned with the vast majority of biology-related degrees at the UH 4-year institutions in terms of the level of physics required. This proposal brings the program in alignment with the rest of the UH system and with most colleges and universities in the US. The proposal is to replace the requirement of PHYS 170 & 170L (General Physics I; calculus-based) with PHYS 151 & 151L (College Physics I; algebra-based) for students in the biological sciences track	Approved - 10/30/17		
LBRT/PS	AS-TEAM- Tropical Forest Ecosystem and Agroforestry Management	Orlo Steele	Active	Modify a program	Math 135 is the required math for Bachelor degrees in Biology, Geography and Environmental Studies majors at UHH and UHM. It has been recommended by several TEAM program graduates that SpCo 251 Public Speaking is a very useful class for the types of speaking activities that our TEAM students need to be able to do. In addition, it has better transferability with UH Hilo, where SpCo 151 is not accepted. Ag 190V Internship is a very valuable course and each credit provides approximately 100 hours of training in natural Resources management. A requirement of 2 Ag 190V credits provides students with the option of having a longer internship experience at one agency or by having 2 internships with different agencies. The additional option of taking 1 credit of Selected Topics in Forest Ecosystem Management (Ag 192) will allow students to study and learn about special areas of forest management that normal courses do not have time to adequately address. Examples include taxonomy of Hawaiian Trees, Tissue culture of rare species, Fire training and control of pests and invasive species.	Returned to Proposer - 10/30/17-Add 192 to #3		
LBRT/PS	ASC-GS - Global Studies Academic Subject Certificate	Pam Scheffler		Create a new program	This provides an opportunity for students to gain a certificate in global/international education. Our world is increasingly internationalized and students with international experience and credentials will be more competitive in the workforce.	Returned to Proposer - 10/30/17-Need to discuss why this is a new program and not just a certificate per the rationale. Invited to come to mtg to clarify.		
LBRT/PS	NEW - Culturally-based Natural resources Management	Pam Scheffler		Create a new program	Many students want to incorporate cultural practices and knowledge with their science-based TEAM degree. This Certificate program will formalize that process for students.	Returned to Proposer - 10/30/17-Need to discuss why this is a new program and not just a certificate per the rationale. Invited to come to mtg to clarify.		
LBRT	BIOL 171 - Introductory Biology I	Michele Phillips	Active	Modify a course - Want to add pre-requisite and recommended coursework: PreReq: "C" or better in Eng 21 or "C" or better in ESL 21 or "C" or better in Eng 22 or ("C" or better in ESL 22G and "C" or better in ESL 22W) or placement in Eng 100 or placement in Eng 102 Recommended: High school or college biology with labs; concurrent enrollment in CHEM151 or CHEM161.	Basic skills in reading and writing are needed to be successful in even lower-level science courses, and this course is the beginning and foundation course for the AS in NSCI. Lab reports are required in the course and having these basic skills will help them to succeed.	Returned to Proposer 10/30/17- Consider completion of ENG 100-email to CRC forwarding proposer's rationale has since made this back in the workflow

LBRT	PHYS 151L - College Physics Laboratory I	Pam Scheffler	Active	Create new course	PHYS 151L is required for biological science majors across the UH System and needs to be part of the Hawaii CC science courses.	Approved - 10/30/17		
LBRT	PHYS 152L - General Physics Laboratory II	Pam Scheffler	Active	Create new course	PHYS 152 is offered at Hawaii CC but the accompanying laboratory was removed from the books. This reinstates the required lab.	Approved - 10/30/17		

LBRT	GEOG 292 - Special Topics: Strudy Abroad	Pam Scheffler	Active	Create new course	Hawaii Community College needs a class that will provide credit for students engaged in faculty-led study abroad learning experiences. At present, no such course exists. The Experimental GEOG 298 was created in 2015 and the first study abroad was run under this experimental course in Summer 2016. GEOG 292 will create a course for future faculty-led study abroad.	Returned to Proposer - 10/30/17 - Correction of Objective. Need clarification as to why this is Science and not Social Science.		
LBRT	ZOOL 101 - Principles of Zoology	Pam Scheffler	Active	Modify a course	Zool 101 is a non-majors course and, as such, should not have the lab as a co-requisite (i.e., the lecture should be able to be taken as a stand-alone course)	Approved - 10/30/17
