

Helpful info on the attached Foundations Proposal Process Forms

GEC have put together a series of documents that will function as the process for certifying Foundations courses.

Foundations application forms.pdf

1. The proposal form, which courses wishing to get the Foundations designation will use to apply with.
2. Then, for *each* designation (FQ - Quantitative Reasoning, FW - Written Communication, FG - Global and Multicultural Perspectives) – the proposer will need to adequately answer the helpful questions to meet that Hallmark.
*Note: Hallmarks are set by UH Manoa; however the helpful questions are campus-chosen.

Foundations Hallmark to CLO alignment Matrix.pdf

1. This is a matrix that aligns CLOs to the Hallmarks. This is the assessment piece that a proposer will complete with approval from the assessment coordinator.

Foundations Rubric_Evaluations and Map.pdf

1. These evaluation form /rubric are use internally by the GEC committee to evaluate and make sure each course has all the required parts when they apply for Foundations.
2. Map of how currently GE to Foundations

Note: Foundations courses we are dealing with are only the “core” courses - ie. FQ (ie. math), FW (ie. Eng100 etc), and FG (ie. history) etc. not the “diversifications” courses (like Natural Sciences, or Social Sciences) which GEC will work on next.
