	<p>on to Department Chairs, and then was forwarded to the EPC. It has been through several revisions to date.</p> <p>The previous accreditation committee was asked about DE policies in 2012, and this policy would be good to have in place for the next accreditation visit in the Fall. Currently our report does not have anything to put regarding DE education policies on the campus. Changes can still be considered but it's also time imperative. If it's not voted on in the March meeting, it won't be in the last iteration of the final document for accreditation. Any comments should be sent directly to David Tsugawa or Toni Cravens, and please cc Leanne Urasaki and Kate Sims as head of the DE Committee.</p> <p>Does UHCC have a policy? They do not, and it would be great to have a unified DE approach, but for our accreditation, we cannot wait anymore. Do any of the other community colleges have a DE policy? Almost all campuses; but the ones that don't are currently working to put one together now.</p> <p>Who will take the lead to disseminate the information? Chair Giordanengo already plans to put this policy on the agenda for the March 23 Academic Senate meeting. It was asked that the Chair disseminates the policy to departments via email. Carrie Mospens will follow up with the Chair. David Tsugawa will ask VCAA Joni Onishi if it can go out to lecturer/staff for comments as well, since many teach online courses.</p>

<p>b. Update of Bullying Survey for Hawai'i CC Attachments 7 & 8</p>	<p>There has been a request to re-deploy the Bullying Survey, originally deployed in 2014. Both surveys would be the same. The results of the 2014 survey are in the attachments.</p> <p>It was suggested the survey be deployed through the FPC, who would then complete the analytics of the data. Use of Survey Monkey or another online platform was preferred. The Union states that the survey is confidential. Google forms vs. survey monkey? Google forms can be made to be anonymous, and if that is compromised, it will be obvious who is trying to do it – have to sign in.</p> <p>Have there been any interventions from the original survey? Leadership was changed, and the new leadership may not be aware of the problem. But if we have the comparison from this one to the original, then our new leaders may be able to follow-up on any standing problems that are identified.</p> <p>Motion to move the Bullying Survey to Faculty Policy Committee to deploy and analyze the resulting data. (Cremer/Nishimoto)</p> <p>Motion carried unanimously by voice vote.</p> <p>There was a request to make sure that the survey results are sent to the people that need to read it – so that we can see what will be and can be done, and so that there is a record. Senator Mospens will follow up with the Chair regarding this request.</p>	<p>Motion carried.</p>
