**Old Business**

The Course Evaluation System is now up and running at HawCC for fall 2018. Our CES Coordinator is Neva K. Supe-Roque and our UH System CES support is provided by Maggie Kaleleiki.

- The last Information Session with Hae Okimoto and Maggie Kaleleiki was held on October 29<sup>th</sup> at the Manono campus.
- At the meeting there was a discussion about the use of Program questions since the community Colleges have a substantial number of programs that need to be evaluated. Windward CC was discussed as a UH Community College that has incorporated Program questions into their CES. HawCC is currently using the following:
  - **Recap of current HawCC CES structure**
  - **Campus questions** (already approved by HawCC Academic Senate see above)
  - College/School/**Division** Questions
  - **Course/Department/Program** Questions
  - **Faculty Questions**

**New Business**

The FPC has begun a review of the 2005, 2006 and 2007 Academic Senate resolutions regarding Contract Renewal, Tenure and Promotion at HawCC.

Respectfully submitted by Karen Crowell, chair.
