CREDIT FOR HAWAIIAN LANGUAGE FORM

Students who have satisfactorily completed (a grade of “C” or better) of a more advance course in the Hawaiian language sequence may receive credit for lower level Hawaiian language course(s) per policy Haw 5.604. (e.g., completion of Hawaiian 201 gives credit for Hawaiian 101 & 102)

The credit will show as a “CR” on your records and will not affect your grade point average. Courses taken as a credit option can be applied toward satisfying requirements for graduation. See the Credit/No-Credit policy Haw 5.503 for details.
