

SUSTAINABILITY

ACADEMIC SUBJECT CERTIFICATE (ASC)

STARTING FALL 2021!

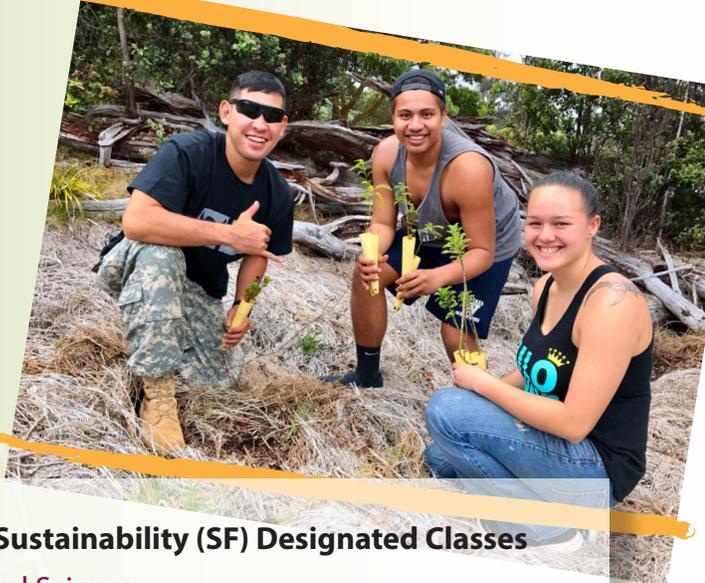

Pursue your passion and learn in dynamic places on Hawai'i Island, ranging from lo'i kalo (taro patches) to science labs, as you earn an Academic Subject Certificate in Sustainability.

The Certificate:

- ❖ Requires a 3-credit Sustainability (SF) Designated class from Natural Science, Social Science, and Hawaiian Studies, plus one more 3-credit SF class of your choice.
- ❖ Can be earned alongside any degree program.
- ❖ Encompasses Hawai'i's geography and traditional sustainable practices, climate change and mitigation science, aloha 'āina, and more.

Our future lies in Sustainability.
Be part of the solution!

For more information, please contact Drew Kapp at dkapp@hawaii.edu.

Fall 2021 Sustainability (SF) Designated Classes

- **Natural Science**
 - BIOL 124 CRN 15194 (Sims)
 - BIOL 124 CRN 15211 (Scheffler)
