

Cross-listed Courses

Background

The College's practices in this area were reviewed by the Academic Senate in Fall 2002. The Senate's recommendations were submitted on November 1, 2002.

Policy

A cross-listed course is one that has the same course title, description and number, but listed under two alphas. To qualify as a cross-list, the course content is made up of approximately 50% of material from each discipline. A cross-listed course will only count once toward graduation.
